

Then we studied comparatives

“Then” indicates a continuation, a marker of time.

Exemplis grati-

1. I went to the arcade first. *Then*, I went to the cinema where I met up with my friends.

2.

Mango – I went to the juicery.

Strawberry -What happened *then*?

Mango – I had a nice apple juice

Strawberry – **gasp**

Apple – **gasp** That was my cousin!

3. *Then* there were none.

“Than” indicates a comparison between two items, entities or quantities.

Exemplis grati-

1. I am taller than my brother.
  2. There's so many more stars than there are grains of sand.
  3. The houses in Coober Pedy were larger than what one might think, considering they're underground.
